### BV George de Latour Reserve, Cabernet Sauvignon

2019, Napa Valley, CA

"Wow! The aromas to this are really exceptional, with a tangerine edge to the blackcurrants, graphite, lead pencil, flowers and wet earth. It changes all the time. So expressive and refined. Full-bodied with great intensity and depth of fruit. The ultra-fine tannins display millions of layers. The texture on the palate is superb and lasts for minutes. This is the new 1974 Georges de Latour, which was a legend. Real Napa Valley red here. Drinkable now, to understand it, but truly great in five to six years and onwards. Benchmark." – James Suckling

### Quilceda Creek, Cabernet Sauvignon

2018, Columbia Valley, WA

"The 2016 Columbia Valley Cabernet Sauvignon is simply stunning and seamless release from Quilceda Creek. Winemaker Paul Goltz has crafted an absolute beauty from this 100% Cabernet Sauvignon that was sourced from Campoux, Wallula and Lake Wallula Vineyards and was aged in 100% new French oak prior to bottling. On the nose this takes on wonderful toasty oak character that wraps around blueberry compote, Turkish coffee, with shades of violet, exotic spices, anise, and sagebrush accents. The balance and silky texture imparted in the wine is scintillating. Layers of mocha, blueberry cordial, sagebrush, crème de cassis and shades of eucalyptus flavors all marvelously combine on the palate and build up to the exceedingly long finish." – Owen Bargreen, Winemaker.

### Ridge, Monte Bello Cabernet Sauvignon

2020, Santa Cruz Mountains, CA

Mild temperatures in March prompted an early bloom that coincided with the spring rains. This resulted in a smaller crop that, accompanied by more summer fog than usual, allowed for slow, steady ripening in September. After assembling thirty-six of fifty-eight lots, the wine was returned to barrel for a further twelve months. As a classic Monte Bello, it will benefit from a decade of aging and develop over another 20 years. — John Olney (Winemaker)
